

5 Snell Crescent Waihi Beach

FIRST TIME ON THE MARKET AFTER 45+ YEARS

After owning this charming property for more than 45 years, the owner has decided its time to put this beauty on the market for someone else to start enjoying.

Built in the early 1970's this robust/solid home boasts undeniable potential, inside the original di½cor leaves plenty of room for new owners to put their own spin on things, inevitably adding value to their investment. This home has been cared and loved for over the years making it a perfect family bach, family home or a great DIY project. The home sits on a full 865 sqm section, again offering an abundance of potential! Ideally located within walking distance to the beach and shopping village.

Great opportunities like this don't come by every day, it's a fabulous property
