

11/13 Palm Grove Waihi Beach

STOP, LOOK, BUY

A lifestyle just within your grasp and to make that happen we have the property that will fit the bill. This executive home sitting in a private setting is one to behold. Driving up to the garage you won't know what is beyond but as soon as you walk through the door your breath will be taken away by what this property has to offer. With its open plan spaces to its finishing touches it will tick a lot of boxes. All on one level with the flow leading out to the outside spaces. Just what makes for great family fun. Sitting within its own little haven, you drive through an established sub-division to your own little slice of paradise. No one would even know you were there. Living spaces look out to the hills beyond. No sea views but within walking distance to the beach, cafes and the local village. I spy with my little eye, you living in this amazing property very soon.
