FAMILY HOME - FANTASTIC SHEDS

Yes it's a substantial and modernised home but the outbuildings will impress. If you have more toys than you can store then here is the answer. Whether it be a motor home, large truck, boat or cars there is room for them all. Even the lawnmower has its own shed! The home offers a great sized open plan kitchen, dining and living area with an adjoining media room or second lounge. Heating options include heat pumps, gas fire and nitestore. Three of the four bedrooms can be closed off as a guest area. Two outdoor living areas allow entertaining inside or out. The rear outdoor deck and partially enclosed courtyard opens off the media room, master bedroom and living area. The sealed driveway looks smart and keeps maintenance to a minimum.
